Dear Resident of North East Hampshire,

I've been pleased and encouraged to see how much our community is spontaneously getting on with helping others and supporting vulnerable and elderly folk and those who can't look after themselves.

For some in isolation in their own homes, however, there may be no way for them to get support and they will need their food and medication delivered. That's why I have set up this form to map where vulnerable people live and to match their needs with volunteer delivered resources.

If you need help with deliveries of medications, urgent supplies, groceries, shopping – or a friendly phone call in what may be a lonely time – people are waiting to help, so please do just ask.

You can fill in my form online at: ranil.uk/covid

If you do not have access to the internet, but would still like help, please telephone my office on (01256) 702 468 and provide your name, address, telephone number, with details of how we can help.

And, as always, keep yourself up to date with the latest advice issued by HM Government, on washing your hands regularly and if and when to self-isolate, at: nhs.uk/coronavirus

You can join my official Facebook group for support and information too, at: [covid.ranil.uk](https://www.facebook.com/covid.ranil.uk)

Yours sincerely,

Ranil Jayawardena MP
